INDUS Announces Award

San Diego, CA, 20 December 2019: INDUS Technology, Inc. (INDUS) a Service-Disabled Veteran-Owned Small Business (SDVOSB), Government Support Services provider, received notification from NAVSUP Fleet Logistics Center San Diego that INDUS was awarded a \$2.1M contract to provide support services to the Commander Naval Air Force U.S. Pacific Fleet (CNAP) Flying Hour Program (FHP) and Accounting Office.

This award will provide 5 years of financial analysis and reporting support for the CNAP Comptroller Department in the areas of Foreign Military Sales (FMS), Fleet Readiness Center (FRC), Aircraft Operations Maintenance (AOM), and Flying Hour Program (FHP). Support will be provided at the CNAP Headquarters, located onboard Naval Base Coronado in San Diego. G2 Software Systems, Inc., a Woman-Owned Small Business based in San Diego, is the sole subcontractor to INDUS for this effort having been the highly successful incumbent.

Mr. Eric MacGregor, INDUS President and CEO, stated “COMNAVAIRPAC is a new customer for INDUS and we’re excited to show them the exceptional level of quality support that we bring to every task.”
