

## PRESS RELEASE

### INDUS WINS CSISEA RECOMPETE

**San Diego, CA, August 2, 2021:** INDUS Technology, Inc. (INDUS) a Service-Disabled Veteran-Owned Small Business (SDVOSB), Government Support Services provider, received announcement of award July 30<sup>th</sup> from Naval Surface Warfare Center (NSWC) Port Hueneme Division (PHD) that we have won our recompete of the Integrated Combat System Engineering, Logistics, Policy, and Administrative Services Contract.

This \$147M award will provide 5.5 years of support services in Port Hueneme, CA with additional CONUS and OCONUS work sites. The services provided will include providing Aircraft Carrier Strike Group (CSG), Amphibious Ready Group, and Fleet Strike Group Integrated Combat System (ICS) engineering, logistics, policy, and administrative support services to various departments, primarily the Ship Defense and Expeditionary Warfare Department of the NSWC PHD. NSWC PHD is the designated In-Service Engineering Agent (ISEA) for ICS in-service engineering. The contractor shall provide products and services in support of engineering, logistics, policy, and administrative support for primarily the Ship Defense and Expeditionary Warfare Department of the NSWC PHD. Tasks will include ICS In-Service Engineering Support for Aircraft Carriers, Amphibious Ships, Carrier Strike Groups, and Amphibious Readiness Group Ships; Passive Countermeasures System (PCMS) Engineering Services; IWS 10 Refueling Complex Overhaul (RCOH) On-site Representative (OSR) Services; Combat Systems Maintenance Coordinator (CSMC) Services; Commander, Naval Air Forces, Atlantic and Pacific (CNAL & CNAP) Planning, Policy and Requirements Services; Programmatic and Administrative Services; Installation Planning and Technical Advisory Services; Waterfront Logistics Coordination Services; and Strike Group Interoperability and Strike Group Capabilities and Limitations Services.

Eric MacGregor, President and CEO, commented, *“We are honored to be given this opportunity to provide continued support to these critical ICS Programs. This award represents INDUS’ largest single contract award in company history and is a true reflection of our employee’s hard work and dedication towards supporting our nations warfighter.”*

This effort will be managed by the current INDUS Program Manager and Vice President, Clay Glasheen.
